MTG Dolphin made official its agreements for cooperation with Thales (Netherlands), Leonardo/Finmeccanica (Italy) and Diehl Defence (Germany)

MTG Dolphin made official its agreements for cooperation with Thales (Netherlands), Leonardo/Finmeccanica (Italy) and Diehl Defence (Germany) during the second day of HEMUS 2016.

This natural continuation of the cooperation between the companies provides an opportunity for deployment of most modern combat systems on board of designed and built in Bulgaria naval combat ships.
