

**02<sup>nd</sup> June 2017, MTG Dolphin PLC**

**Name giving ceremony of tug „ALCOR“ took place at the port of Varna on 02/06/2017**

The official ceremony for the name giving of a new tugboat, built by „MTG Dolphin“ Shipyard, took place at the Port of Varna on 2nd of June 2017.

The ship is built for Navigation Maritime Bulgare plc. under the supervision of Bureau Veritas and will sail under Bulgarian flag.

„ALCOR“ is 27,6 m. in length and is powered by two Caterpillar engines, each with a capacity of 1800 hp. The vessel is furnished with two rotating Azipod Drives enabling to manoeuvre even in tricky conditions, and has a Bollard Pull of 40 tons. „ALCOR“ is able to carry both port and sea towage, having unrestricted navigation class notation.
