

November 2017, Bulyard Shipbuilding Industry AD

Bulyard Shipbuilding Industry AD has signed a contract for the building of a Floating crane in cooperation with the Hungarian Shipyard - GANZ Danubis

Bulyard Shipbuilding Industry AD has signed a contract for the building of a Floating crane in cooperation with the Hungarian Shipyard - GANZ Danubis. The vessel's dimensions are: length 54.9 m, width 20.00 m, lifting capacity of the crane 27 tons. The floating crane is designed to perform the loading and unloading on anchorage.

Cutting of steel is expected to begin the first week of January 2018. The delivery of the vessel to the Owner is planned for the beginning of July 2018.
