

**October 2018, Trans-Mar Services EOOD**

**Trans-Mar Services EOOD will be the exclusive distributor  
of the turkish company Ozre Denizcilik for Bulgaria and Romania**

On the 18<sup>th</sup> of October 2018, Trans-Mar Services have signed an exclusive distributor agreement for Bulgaria and Romania with the Turkish company Ozre Denizcilik.

With this contract, Trans-Mar Services will be able to offer his clients and partners a wide range of items for marine equipment that are new to the company's catalog.

The Turkish company is a leader in the design and production of marine equipment in Turkey. The company has high number of quality certificates that guarantee the high quality of the offered products.

The partnership also aims to create opportunities for building production bases in Bulgaria, which will drastically shorten the time from order to delivery and will make the process not only fast but also with an excellent quality.

The construction of production bases is planned at a later stage of the partnership due to a number of administrative factors, but it is a top priority for the both companies.

This partnership is a great step forward For Trans-Mar Services EOOD, because they are expanding the range of products, making the company an even more reliable partner for their customers.
